The screenshot displays a Windows desktop environment. In the foreground, a Notepad++ window is open, showing a crack script for JetBrains IDEs. The script includes instructions for installing the crack and a list of product codes. A recording window is overlaid on the Notepad++ window, showing a recording time of 00:04:32. In the background, the IntelliJ IDEA license server window is visible, displaying the IntelliJ IDEA logo and the text "ULTIMATE 2018.1". The license server window also shows the license key "Licensed to Rover12421" and the message "You have a perpetual fallback license for this version". A purple dashed arrow points downwards on the right side of the screenshot. The taskbar at the bottom shows the Windows logo, several application icons, and the system tray with the time 2:29 PM and date 4/11/2018.
